Message from the President

Association of Cricket Umpires – Sri Lanka

As we gather for this year's Annual General Meeting of the Association of Cricket Umpires of Sri Lanka (ACUSL), I am filled with a sense of pride and optimism. Cricket, a sport with a rich heritage spanning over four centuries, continues to capture the hearts of millions around the globe. Central to the spirit of this game are the umpires, whose commitment to fairness and integrity ensures the sport is played in its true essence.

It has been an honour to serve as your President over the past 03 years. I would like to extend my sincere appreciation to all committee members and supporters of ACUSL for their unwavering dedication and hard work.

Reflecting on this year, we have made remarkable strides. One of our significant achievements is the tabling of the Incorporation Act in Parliament, a step that will soon grant us the official status as the sole authority for Cricket Umpires in Sri Lanka. This development is poised to solidify our position and protect our interests, fostering a brighter and stronger future for our Association.

In our pursuit to enhance the quality of umpiring, we have successfully integrated new members who have passed the Sri Lanka Cricket Institute examinations. This influx of fresh talent is vital for our growth and excellence. Additionally, we have launched a much-needed upgradation program for our umpires, starting with the premier judges. This initiative is designed to elevate our standards and expand our reach to national and international platforms.

While our efforts to secure a land for the Association were met with challenges, we remain undeterred. The Association will continue to seek opportunities to fulfill this objective. On a positive note, our efforts in securing sponsorships have borne fruit, ensuring financial stability for the next two years. A heartfelt thank you to the Fund-Raising Committee for their exceptional work.

Looking ahead, our agenda is clear. We will focus on the implementation of these initiatives, continuous improvement of our members' skills, and positioning ACUSL at the forefront of cricket umpiring globally. Our collective efforts and dedication will undoubtedly lead us to new heights.

Thank you for your support and commitment. Together, we will continue to achieve great things for the Association and the sport we all cherish.

Best Regards,

Premnath C. Dolawatte

Attorney-at-Law / Member of the Parliament of Sri Lanka /
President - ACUSL

Message From the General Secretary 2022-24

With great pleasure, I extend heartfelt congratulations to the Sri Lanka Cricket umpires Association on its 80th Annual General Meeting. The association has a rich and illustrious past.

Allow me to remind you that in our eight decades of journey, we have encountered many challenges. I respectfully request you to set aside your personal objectives and focus towards helping the association to overcome such challenges. I'm using this opportunity to bow down to those of you who have committed yourself to defending the ACUSL by staying with it and declining to pursue promotions based on the influence of other people. I sincerely hope you will keep pushing the association forward.

We would like to use this opportunity to thank the honorable chairman Mr. Shammi Silva and the executive committee of the Sri Lanka Cricket Board for their tremendous assistance. Further I would like to take this occasion to express my gratitude to the Sri Lanka School Cricket Association, the Mercantile Cricket Association, the National Services Cricket Association and State Service Cricket Association for their unwavering support. I would like to extend my gratitude to the honorable chairman Premnath C. Dolawatta, the entire executive committee, and the staff members with whom I worked together over the past two years.

I hope the Sri Lanka Cricket Umpire Association, which has provided excellent service to the game of cricket in Sri Lanka for eight decades, can continue to do so for a very long time.

Upul Wewage
General Secretary
ACUSL

Disciplinary Committee Report 20224

During the twoyear term, we as members of the Disciplinary Committee had been expected to see that all of our members operated professionally at the highest level possible in their roles as umpires, bothindividually and collectively. We would like to point out that we have always taken care to act moderately in specific circumstances.

However, please note that, after thoroughly and tactfully outlining the cases presented to the Disciplinary Committee during the past two years, the following recommendations have been sent to the Executive Committee approval.

Acquittal and Release.

Warning and release.

Announcing a minor penalty.

Imposing a temporary suspension.

Until the person stands up for the investigation, suspend their membership.

Recommending temporary suspension of membership.

However, the most important thing that all of us as umpires should think about is to contribute in every possible way to continue the journey of the Association of Cricket Umpires , which protects and develops your professional life

We also want to stress that the Disciplinary Committee wishes for there to be no complaints in the future on disciplinary issues pertaining to our members.

Examination, Grading & Technical Committee Report 2022- 24

As the Chairman of the Examination, Grading & Technical Committee, it is my duty and my pleasure to pen this message to the Membership.

I wish to thank the few Members of the Committee, especially Mr. TH Wijewardene who devoted his time and expertise towards the E, G & T Committee.

The ACUSL is thankful to Sri Lanka Cricket and the Umpires Committee and Management for Conducting Examinations for Umpire recruitment. This enabled all our Members who had not got SLC recognition to do so, for their betterment and also for the development of the game.

Given below is the list of new recruits from such exams held across the country.

I wish my successor and his committee all the very best for 2024- 2026.

Thank you

Maurice Dela Zilwa
